

METRO PHOENIX ECOFLORA PROJECT

Safety and Guidelines

Be Prepared

- Have water, sunscreen, a hat, snacks, first aid kit and appropriate clothing and footwear
- At night, have a light source and wear bright colored clothing with reflective elements if possible
- Be sure that your phone or camera is fully charged

Be Alert

- Use extra caution when observing near roadways
- Be attentive to where feet and hands are being placed
- Consider observing with a companion
- If observing alone, tell someone where you are going and when you plan to return

Be Considerate

- Try to not take away from others' experience
- Be mindful of blocking pathways or creating noise in quiet areas

- **For your own safety and the protection of plants and wildlife, do not trespass**
- **Please follow all posted rules and guidelines in parks and preserves and do not enter private property**
- **Do not obstruct sidewalks, bike lanes or right of ways**
- **Do not remove or move natural materials (plants, animals, rocks)**
- **Respect wildlife (do not touch, feed, or disturb animals and keep a safe distance)**
- **Please do not observe indoor houseplants or pets**
