# 2022

Desert Botanical Garden is grateful to all 33,108 supporters for your generosity. We appreciate and are proud to recognize your philanthropic commitment, ensuring the Garden can fulfill its mission. Your support over the past year has made a significant impact on the Garden. In 2022, donors like you have contributed more than \$13M dollars in gifts, to advance excellence in education, research, exhibition and conservation of plants of the Sonoran Desert. Today, you continue to invest in the Garden's future as a place of beauty, wellness and science.

On these pages, we recognize individual, corporate and foundation donors who made single or multiple contributions and pledges totaling \$500 and more over the year, from January 1, 2022 to December 31, 2022. Included are memberships, special gifts and unrestricted support of the Garden's annual programs and services.

In addition, special recognition sections acknowledge donors who made contributions during the past year for memorial and tribute gifts and in-kind donations of \$1,000+ and also acknowledge those who have included the Garden in their estate plans as of December 31, 2022.

We attempt to ensure accuracy of our donors' names. If you note an error or omission, please contact Laura Unkefer at 480.421.9977.
